Superintendent Welcomes Exes

It is again my sincere pleasure to say "Welcome" to all the ex-students and faculty of Hamlin High School. The entire faculty of the school joins me in this welcome.

It has been a thrill for the past eight years to see the homecoming of all exes. It makes us feel humble to see all you return to Hamlin and take part in this event. We want you to feel at home and if there is anything we can do to make your visit more pleasant, please call on us.

The leaders of the Ex-student Association are to be commended for their fine efforts and accomplishments.

I would especially like to welcome all former teachers and administrators to this Homecoming. What success we have these years is due to the hard and diligent work that these predecessors have done. The foundation that you laid are what we can build on in years to come.

It is our most earnest desire that you have another good Homecoming this year. We hope that we can have a small part in making this one the best and we pledge our efforts to you. I hope that you can always say "I am proud to be an ex of Hamlin High School". I can say "It is great to be the Superintendent of the Hamlin Schools."

FIVE YEARS AGO:

County Agent Kirby Clayton this week estimated that Jones County farmers will harvest 35,000 bales of cotton this season for an estimated revenue of \$4,330,000.

Final plans for handling the big crowds expected to attend the fourth annual ex-student homecoming of Hamlin High School are being completed, declares L. C. Bonds, president of the HHS Ex-Students Association, sponsor of the yearly get-together.

TEN YEARS AGO:

West Texas farmers have been assured by Production Administration that equitable arrangements will be made in acreage allotments, following word of several days ago that acreage in the area would be trimmed.

Work was started last week by a 22-piece band at De-Priest Colored School under direction of Walter Chalcraft, high school band director, and Gwendolyn Tyeska of the De-Priest faculty.

FIFTEEN YEARS AGO:

Plans for building a farm-to-market road from Highway 180 at Boyd's Chapel to Neinda are being made by the Texas Highway Commission.

Officials of the Hamlin Memorial Hospital and citizens of the community were seeking

a solution this week to the problem of keeping the hospital open and functioning in the of pressing indebtedness of \$26,000.

TWENTY-FIVE YEARS AGO:

Hamlin Pied Pipers lost their first football game of the season last Friday to the Rotan Yellowjackets by a score of 13-0. On the team are Max Carlton, Bill Morrison, Doby Johnson, Cecil Sellers, Brookie Pitcock, George Dean, De-France Burton, Bobby Barrow, Joe Bonds, Clay Bailey, Marnie Ray Barton, Don Coles, R. A. Dean, Raymond Elkins, Jack Ellison, J. R. Ellicott, S. C. Ferguson, Tollie Fudge, Gerald Ivy, Bill Harbert, J. L. FORTY YEARS AGO:

There are plans being made for the promoting of the different clubs that pertain to Farm problems, in the Hamlin High School, such as those that deal with Live Stock, Poultry, Hogs and small grain.

Monday morning was a very busy time in Hamlin, yes and a very happy time, too, it seemed. Every street was filled with boys and girls with bright happy faces, hurrying toward the same destination, the Hamlin Public School, eager to get their teacher and take up their work.

DOING A ...

MAN SIZED JOB

Heat ... sweat ... fatigue ... blisters ... aches ... Dad says its all a part of "carrying my share of the load." He also says that, "it's important that I help make provisions for the present and near future." But he says "that it is even more important because I am preparing for the days ahead when I am a full grown man." Sometimes I think that my Dad has the wisdom of Solomon, that's this king that I learned about at church ... and that's another thing that Dad says is important ... "that I go to church regularly, so that I can learn about God, and prepare my spiritual life for the future, too." You know ... Dad must think it's important ... He goes to church, too.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

PIPERS WIN TOUGH DEFENSIVE BATTLE WITH CHILDRESS, 21-12

The Pied Pipers edged the Childress Bobcats here Friday night in a defensive battle, 21-12. It was in the fourth quarter before either team could put enough drive together to

make two first downs in a row. The defensive game saw Hamlin punt six times and Childress punt five times. The Bobcats lost the ball twice on

pass interceptions and once on a fumble.

The Pipers first score was set up mid-way in the first quarter when halfback Robert Pearce intercepted a Childress pass and returned it 10 yards to the Bobcat 14. Fullback Cleon Warner broke over his left tackle on a trap and went into the end zone standing up. Pearce's kick was not good and the Pipers led, 6-0.

The ball changed hands six times before the Bobcats put their tying score on the scoreboard. Their score came on a freak play that saw Mike Shivers trying to field a Bobcat punt only to have it hit his shoulder and bounce up in the air with tackle John Sims taking it on the run and racing to the Piper four yard-line before being brought down from behind. It took the Bobcats two plays to score from this point with quarterback Mike Reeves going in on a sneak.

Mid-way in the third quarter the Bobcats tried to punt from deep in their own territory but a bad snap from center forced punter Jerry Sachse to try to run for the first down. The Pipers stopped him on the Childress 35. Halfback Larry Butler picked up three yards to the 32 and then Pearce went over his right end and then cut across the field and picked his way for 32 yards to score. His kick was good and the Pipers took the lead again, 13-6.

The Bobcats scored early in the fourth quarter on a 46 yard drive set up when they recovered a Hamlin fumble. Three completed passes were "the key to the drive. One of them was good for 29 yards and another one for eight and the touchdown. The scoring pass was from Reeves to end Ricky Hamm. The Bobcats tried for a two-pointer and were stopped short.

Following an on-side kick that rolled dead on the Bobcat 48-yard line the Pipers put together their only drive of the night. Aided by a 13-yard penalty the Pipers moved the ball to the Childress 10 from where quarterback Johnny Overman rolled around his right end and worked his way in for the score. The kick was no good and the Pipers held a 19-12 lead.

Near the end of the fourth quarter the Bobcats tried to punt from their own end zone when a bad snap from center caused Sachse to get caught in the end zone for a safety.

With neither team able to mount much of an offensive during the night the ball changed hands 14 times in the first half and 13 times in the final half.

IT'S DODGE'S 50th ANNIVERSARY

Oh boy, it's D-day...

the '64 Dependables are on display

SEE '64 DODGE, the low-price car that doesn't look or feel like one. The low-price field will never be the same, now that '64 Dodge is here. Take that handsome hardtop, above, with that stylish roof, husky performance, and all-vinyl trim. Price? Right with Ford and Chevy. That's value in a standard-size car. And as with every '64 car built by Dodge, you get a 5-year, 50,000-mile warranty.*

*THE DEPENDABLES' 5-YEAR, 50,000-MILE WARRANTY—Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

TRY '64 COMPACT DODGE DART, the compact in the large economy size. Family-sized, family priced. Few compacts cost less than Dart. Not one gives you so much for the money.

DRIVE BIG DODGE 880 FOR '64, the quiet, thoughtful step above the low-price field. Big room. Big ride. Big luxury. Big power. Dodge 880 is big in everything... but price.

Go Dodge '64

Mistake in 25 Years Ago Column

In the 25 years ago column last week the Herald made an error in the account of Mr. and Mrs. Doug Jenkins family. The correct account is as follows: Mr. and Mrs. Doug Jenkins of Flat Top Community the the parents of twins, a boy and a girl born July 13. They were named Darrell Don and Nancy Carolyn.

It seems that some lines were left out and two birth announcements were run together creating an incorrect account. We apologize to the Jenkins for this error.

Engineered better...backed better than any car in its class

The '64 Chryslers are here: the luxurious New Yorker (above); sports-bred 300; and the surprisingly easy-to-own Newport.

Clean. Crisp. Handsome. Designed in the modern concept. Bold but not brassy. Engineered by men who have accounted for more "firsts" than any automobile maker. So well built the vital moving parts are warranted for 5 years or 50,000 miles. (Details below.)

The '64 Chryslers are full of news: there's an optional steering wheel you can adjust, up or down, to any one of seven different positions. Bucket seats are standard on 300 models (passenger's reclines).

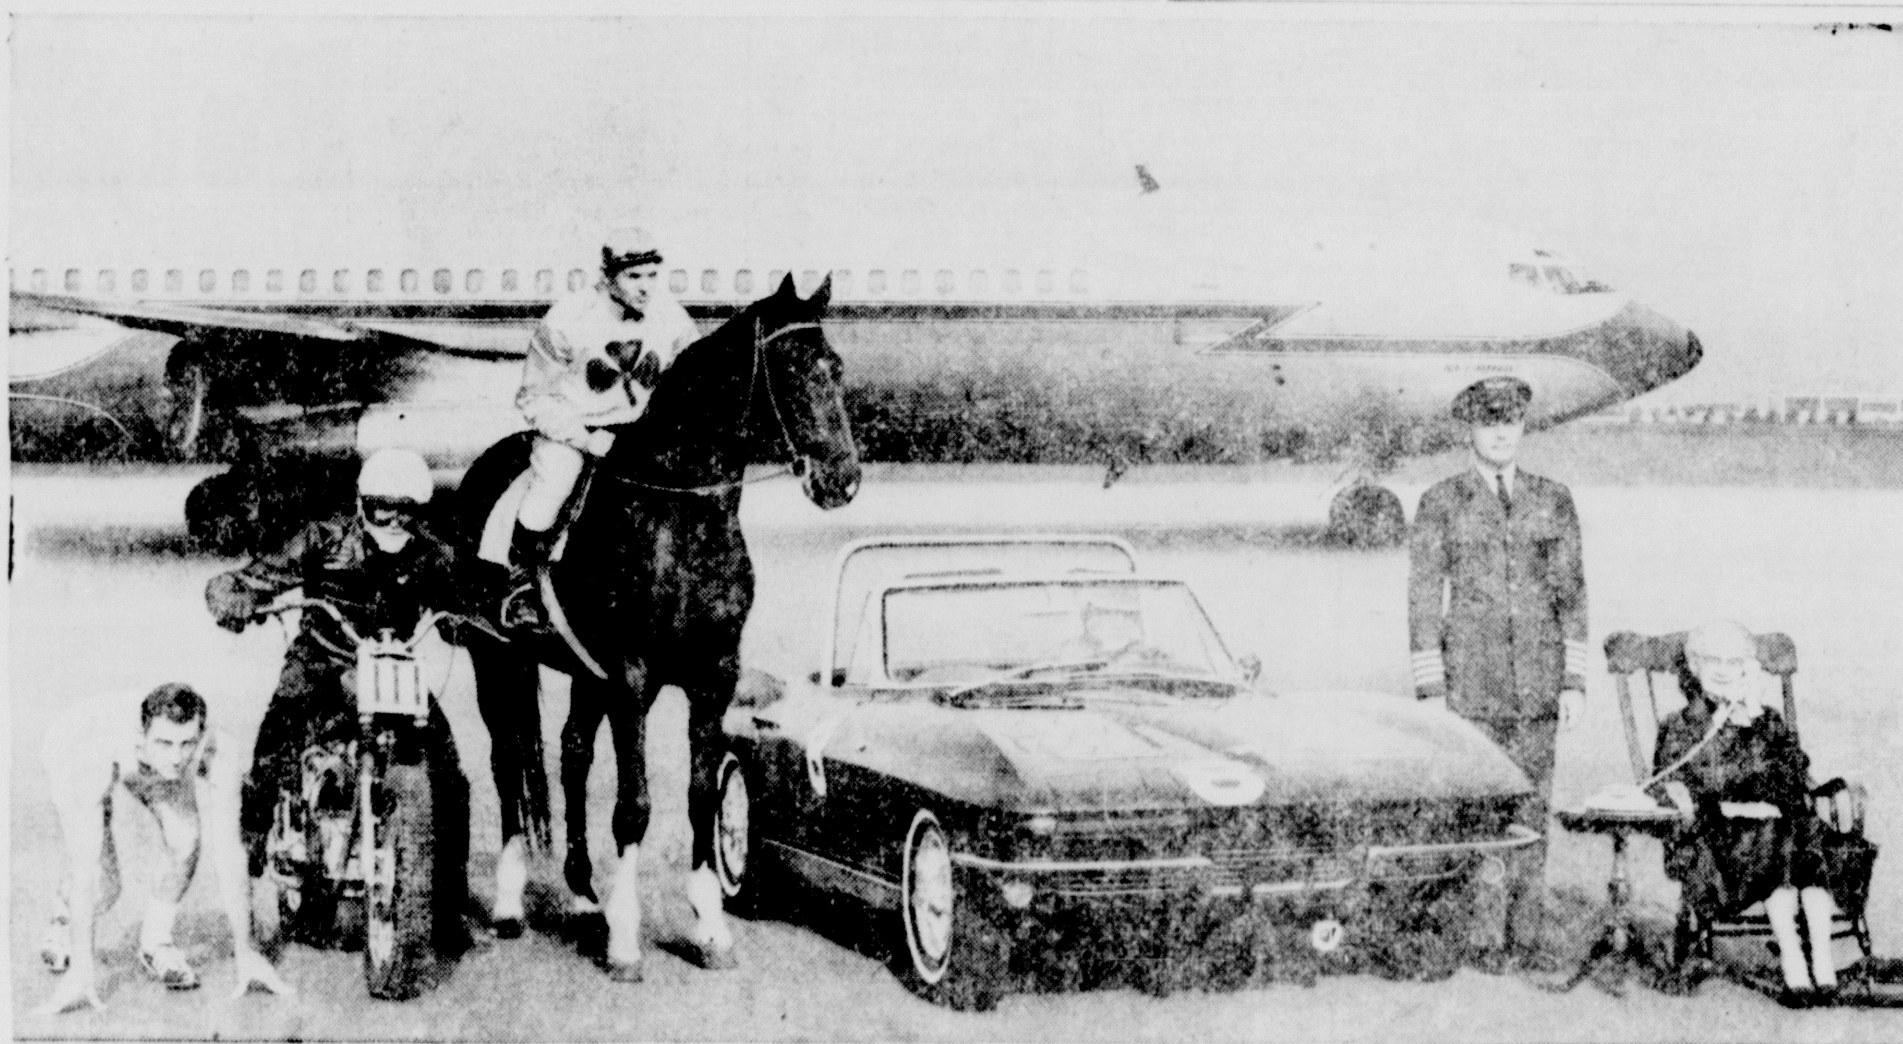

These are the '64 Chryslers. They have no junior editions to compromise your investment. Go see them. Move up to Chrysler '64.

Solid protection for a solid investment... 5-year—50,000-mile warranty. Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the crankshaft oil filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

I would like to express my thanks and appreciation to each person in the Hamlin School District for the cooperation and help you have given the school board, faculty and myself, especially this last two weeks. Opening of a new school year is sometimes very difficult, such as making new schedules so that our students can take the subject they desire, at the same time have an opportunity to participate in other school activities, bus route changes and a number of other things that could be conflicting. With all these could be conflicts, everyone has been most tolerant.

JOE HUDSPETH'S

FORMER HAMLIN STUDENT HAS SECOND BOOK PUBLISHED

Clara Wendel Verner, salutatorian of the class of 1917 of Hamlin High School, has completed her second book, a religious romance for young people. She is also author of "Orphan by Choice."

Mrs. Verner will be unable to attend the eighth annual Homecoming to be held this weekend but she has written the officers that she is making

plans to attend the 1964 Homecoming.

OVER THE THRESHOLD, published Aug. 9 by Exposition Press, is a novel of a dilemma that urgently faces our society today — premartial sex and the position to take toward it. Author Verner's characters, students of a small Christian college, face the problem of making a choice during the course of the book.

Velma, central to the story, unlike the other girls, has not had the advantage of a Christian upbringing. The five other girls, who present the various sides of the situation that has proved to be explosive and often ruinous for many young people, come from different backgrounds and have varying aspirations.

Two young men figure prominently in the action — Cyrus McComb, who is attending this Christian college only because it is a condition upon which he will receive an inheritance, and David Cromwell, a dedicated ministerial student.

Novelist Verner explores the moral smog which society has allowed to envelop it until

CLARA VERNER

there is no black or white, only a sea of grey which leaves young people without firm footing from which to make moral decisions.

Mrs. Verner, holds an M. A. from Hardin-Simmons University in Abilene. She and her husband make their home in Buckeye, Arizona, where she is a public school teacher.

The book has been placed in Hardin Memorial Library by Mrs. E. M. Wilson.

First Methodist Church News Notes

Mrs. Richard Young, Gary Caudle, Jeanie Young, Eileen Womack attended the Sub-district Methodist Youth Fellowship at Roby Sept. 9.

FAIRVIEW NEWS

By MRS. ELMER JOINER

Cooler weather has come at last, with several showers falling here and there. The summer of 1963 will long be remembered as a very hot one, with the mercury climbing high every day, for weeks and weeks, without one single break in the heat wave. But as one extreme always follows another, we will soon be shivering from the cold, wishing it were not so cold, but won't it be nice?

Mrs. Nancy Watson, mother of Aaron Watson, died Friday night at the home of her son, W. M. Watson, Route 2, Hamlin, where she had been living for some time, because of ill health. Funeral services were held here Sunday afternoon in the Calvary Baptist Church in Hamlin. Mrs. Watson formerly made her home with Aaron until becoming unable to stay alone, and had been a resident on and off, of our community for many years, being the wife of Buck Watson, who passed away in 1935.

Besides the two sons mentioned, she was the mother of four other sons and three daughters, one daughter being a former member of our church, until moving to Shallowater. Mrs. Clyde Whitaker, as well as one son, Noble, also now a resident of Shallowater.

Mr. G. M. Wainwright has been in a coma for the past week, the children have been called in time and again when it looked as if death was imminent, but at this time his frail 93 year old body, has withstood all of it. Our deepest sympathy goes to our friends, the Wainwright family, in this hour of sorrow.

Mrs. O. M. Butler, wife of the Rev. O. M. Butler, former Methodist pastor of Dowie,

came by and visited with Mrs. Raleigh Bond, last Tuesday afternoon. Rev. and Mrs. Butler now live at Stinnet, Texas, where he pastors the Methodist Church.

Mrs. E. A. Henry, who is always going some where, went the wrong way last Tuesday, she went down, and kissed the ground very hard. Going out to her garage to get the car out, she stepped in a hole and fell flat on her face, bruising her mouth, and also her arm some, but being very fortunate not to have been injured more seriously, for she is like some of the rest of us, not too young any more.

Mr. and Mrs. Winsom Gray visited with Mr. and Mrs. Olen Cooper, Saturday night.

Mrs. Alma Holmes was visiting in church Sunday, being a guest in her son's home, Mr. and Mrs. Flavil Holmes.

Mr. and Mrs. Elmer Joiner and Mr. and Mrs. Woodrow Goodwin and Linda, went to Carlsbad, New Mexico, Saturday morning, where they attended funeral services Sunday afternoon for Nora Jean Morgan. Nora Jean was the ten year old daughter of Mr. and Mrs. Joe Morgan. Mrs. Morgan being a niece of Mmes. Joiner and Goodwin.

She was born and reared in Carlsbad, until her parents moved to Green River, Wyoming, in 1962. She passed away in a hospital in Salt Lake City, Utah, last Tuesday night, having died from a heart attack, brought on by a severe kidney ailment. She spent two months in Baylor Hospital, last winter, and since that time had been in and out of the Salt Lake City Hospital.

Burial was at Carlsbad. Her grandparents are Mr. and

Mrs. T. E. Dickson now residents of Carlsbad, who have resided for the last year in California.

Mr. and Mrs. Mel Jones went to Stamford Sunday afternoon and visited with his brother, Mr. and Mrs. Newman Jones, and also with the Wainwrights in the hospital.

Cotton pulling was getting in full swing until the little showers started falling. Although the crop has been cut short, there will still be quite a lot of cotton to harvest and it has really opened.

This coming weekend will be Homecoming at Hamlin School, also including all of the former rural schools, that have consolidated with them.

This reporter is looking forward to going Tuesday down San Antonio way, as a delegate for our County, to the State Home Demonstration Meeting. Next week will tell you how we fared in the big city.

Monday morning was a very busy time in Hamlin, yes and a very happy time, too, it seemed. Every street was filled with boys and girls with bright happy faces, hurrying toward the same destination, the Hamlin Public School, eager to get their teacher and take up their work.

Superintendent Welcomes Exes

It is again my sincere pleasure to say "Welcome" to all the ex-students and faculty of Hamlin High School. The entire faculty of the school joins me in this welcome.

It has been a thrill for the past eight years to see the homecoming of all exes. It makes us feel humble to see all you return to Hamlin and take part in this event. We want you to feel at home and if there is anything we can do to make your visit more pleasant, please call on us.

The leaders of the Ex-student Association are to be commended for their fine efforts and accomplishments.

I would especially like to welcome all former teachers and administrators to this Homecoming. What success we have these years is due to the hard and diligent work that these predecessors have done. The foundation that you laid are what we can build on in years to come.

It is our most earnest desire that you have another good Homecoming this year. We hope that we can have a small part in making this one the best and we pledge our efforts to you. I hope that you can always say "I am proud to be an ex of Hamlin High School". I can say "It is great to be the Superintendent of the Hamlin Schools."

DOING A...

MAN SIZED JOB

Heat... sweat... fatigue... blisters... aches... Dad says its all a part of "carrying my share of the load." He also says that, "it's important that I help make provisions for the present and near future." But he says "that it is even more important because I am preparing for the days ahead when I am a full grown man." Sometimes I think that my Dad has the wisdom of Solomon, that's this king that I learned about at church... and that's another thing that Dad says is important... "that I go to church regularly, so that I can learn about God, and prepare my spiritual life for the future, too." You know... Dad must think it's important... He goes to church, too.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

PIPER WIN TOUGH DEFENSIVE BATTLE WITH CHILDRESS, 21-12

The Pied Pipers edged the Childress Bobcats here Friday night in a defensive battle, 21-12. It was in the fourth quarter before either team could put enough drive together to

make two first downs in a row. The defensive game saw Hamlin punt six times and Childress punt five times. The Bobcats lost the ball twice on

The Pipers first score was set up mid-way in the first quarter when halfback Rovert Pearce intercepted a Childress pass and returned it 10 yards to the Bobcat 14. Fullback Cleon Warner broke over his left tackle on a trap and went into the end zone standing up. Pearce's kick was not good and the Pipers led, 6-0.

The ball changed hands six times before the Bobcats put their tying score on the scoreboard. Their score came on a freak play that saw Mike Shivers trying to field a Bobcat punt only to have it hit his shoulder and bounce up in the air with tackle John Sims taking it on the run and racing to the Piper four yard-line before being brought down from behind. It took the Bobcats two plays to score from this point with quarterback Mike Reeves going in on a sneak.

Mid-way in the third quarter the Bobcats tried to punt from deep in their own territory but a bad snap fro center forced punter Jerry Sachse to try to run for the first down. The Pipers stopped him on the Childress 35. Halfback Larry Butler picked up three yards to the 32 and then Pearce went over his right end and then cut across the field and picked his way for 32 yards to score. His kick was good and the Pipers took the lead again, 13-6.

The Bobcats scored early in the fourth quarter on a 46 yard drive set up when they recovered a Hamlin fumble. Three completed passes were the key to the drive. One of them was good for 29 yards and another one for eight and the touchdown. The scoring pass was from Reeves to end Ricky Hamm. The Bobcats tried for a two-pointer and were stopped short.

Following an on-side kick that rolled dead on the Bobcat 48-yard line the Pipers put together their only drive of the night. Aided by a 13-yard penalty the Pipers moved the ball to the Childress 10 from where quarterback Johnny Overman rolled around his right end and worked his way in for the score. The kick was no good and the Pipers held a 19-12 lead.

Near the end of the fourth quarter the Bobcats tried to punt from their own end zone when a bad snap from center caused Sachse to get caught in the end zone for a safety.

With neither team able to mount much of an offensive during the night the ball changed hands 14 times in the first half and 13 times in the final half.

IT'S DODGE'S 50th ANNIVERSARY

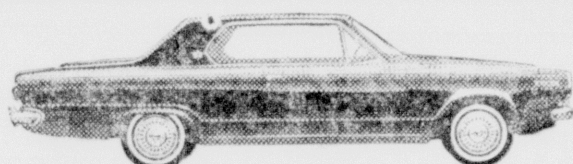

Oh boy, it's D-day...

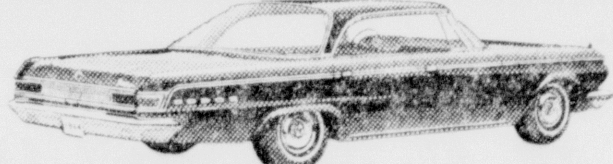

the '64 Dependables are on display

SEE '64 DODGE, the low-price car that doesn't look or feel like one. The low-price field will never be the same, now that '64 Dodge is here. Take that handsome hardtop, above, with that stylish roof, husky performance, and all-vinyl trim. Price? Right with Ford and Chevy. That's value in a standard-size car. And as with every '64 car built by Dodge, you get a 5-year, 50,000-mile warranty.*

*THE DEPENDABLES' 5-YEAR 50,000-MILE WARRANTY—Chrysler Corporation warrants, for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

TRY '64 COMPACT DODGE DART, the compact in the large economy size. Family-sized, family-priced. Few compacts cost less than Dart. Not one gives you so much for the money.

DRIVE BIG DODGE 880 FOR '64, the quiet, thoughtful step above the low-price field. Big room. Big ride. Big luxury. Big power. Dodge 880 is big in everything... but price.

Town hall democracy still works

Hunger, hardship, danger—the price of self rule came high! No wonder our early settlers prized the right to have a say in their town meetings. Today, rural electric cooperatives give millions a chance to take part in this pure democracy which has contributed so much to the strength of America.

The name has changed, but the rural electric annual meeting has the same rule-by-the-people freedom that characterized the colonial town meeting. Once a year, the member-owners of these local co-operatives get together to find out how their business is doing and to take an active part in running it.

Free exchange of views, and frank discussion of policy give any interested member a chance to have his say. To become a director, with policy-making authority, a candidate must win the confidence and the votes of a majority of his fellow members. Plans, programs, and progress reports are subject to searching review.

The sanctity of the ballot and the basic freedoms of assembly, speech, and private ownership are American ideals. They find full expression in a business activity in America's rural electric systems.

Mistake in 25 Years Ago Column

In the 25 years ago column last week the Herald made an error in the account of Mr. and Mrs. Doug Jenkins family. The correct account is as follows: Mr. and Mrs. Doug Jenkins of Flat Top Community the the parents of twins, a boy and a girl born July 13. They were named Darroll Don and Nancy Carolyn.

It seems that some lines were left out and two birth announcements were run together creating an incorrect account. We apologize to the Jenkins for this error.

I would like to express my thanks and appreciation to each person in the Hamlin School District for the cooperation and help you have given the school board, faculty and myself, especially this last two weeks. Opening of a new school year is sometimes very difficult, such as making new schedules so that our students can take the subject they desire, at the same time have an opportunity to participate in other school activities, bus route changes and a number of other things that could be conflicting. With all these could be conflicts, everyone has been most tolerant.

JOE HUDSPETH'S

FORMER HAMLIN STUDENT HAS SECOND BOOK PUBLISHED

Clara Wendel Verner, salutatorian of the class of 1917 of Hamlin High School, has completed her second book, a religious romance for young people. She is also author of "Orphan by Choice."

Mrs. Verner will be unable to attend the eighth annual Homecoming to be held this weekend but she has written the officers that she is making

plans to attend the 1964 Homecoming.

OVER THE THRESHOLD, published Aug. 9 by Exposition Press, is a novel of a dilemma that urgently faces our society today — premarital sex and the position to take toward it. Author Verner's characters, students of a small Christian college, face the problem of making a choice during the course of the book.

Velma, central to the story, unlike the other girls, has not had the advantage of a Christian upbringing. The five other girls, who present the various sides of the situation that has proved to be explosive and often ruinous for many young people, come from different backgrounds and have varying aspirations.

Two young men figure prominently in the action — Cyrus McComb, who is attending this Christian college only because it is a condition upon which he will receive an inheritance, and David Cromwell, a dedicated ministerial student.

Novelist Verner explores the moral smog which society has allowed to envelop it until

CLARA VERNER

there is no black or white, only a sea of gray which leaves young people without firm footing from which to make moral decisions.

Mrs. Verner, holds an M. A. from Hardin-Simmons University in Abilene. She and her husband make their home in Buckeye, Arizona, where she is a public school teacher.

The book has been placed in Hardin Memorial Library by Mrs. E. M. Wilson.

FAIRVIEW NEWS

By MRS. ELMER JOINER

Cooler weather has come at last, with several showers falling here and there. The summer of 1963 will long be remembered as a very hot one with the mercury climbing high every day, for weeks and weeks, without one single break in the heat wave. But as one extreme always follows another, we will soon be shivering from the cold, wishing it were not so cold, but won't it be nice?

Mrs. Nancy Watson, mother of Aaron Watson, died Friday night at the home of her son, W. M. Watson, Route 2, Hamlin, where she had been living for some time, because of ill health. Funeral services were held here Sunday afternoon in the Calvary Baptist Church in Hamlin. Mrs. Watson formerly made her home with Aaron until becoming unable to stay alone, and had been a resident on and off, of our community for many years, being the wife of Buck Watson, who passed away in 1935.

Besides the two sons mentioned, she was the mother of four other sons and three daughters, one daughter being a former member of our church, until moving to Shallowater, Mrs. Clyde Whitaker, as well as one son, Noble, also now a resident of Shallowater.

Mr. G. M. Waincott has been in a coma for the past week, the children have been called in time and again when it looked as if death was imminent, but at this time his frail 93 year old body, has withstood all of it. Our deepest sympathy goes to our friends, the Waincott family, in this hour of sorrow.

Mrs. O. M. Butler, wife of the Rev. O. M. Butler, former Methodist pastor of Dowie,

came by and visited with Mrs. (Raleigh) Bond, last Tuesday afternoon. Rev. and Mrs. Butler now live at Stinnet, Texas, where he pastors the Methodist Church.

Mrs. E. A. Henry, who is always going some where, went the wrong way last Tuesday, she went down, and kissed the ground very hard. Going out to her garage to get the car out, she stepped in a hole and fell flat on her face, bruising her mouth, and also her arm some, but being very fortunate not to have been injured more seriously, for she is like some of the rest of us, not too young any more.

Mr. and Mrs. Winsom Gray visited with Mr. and Mrs. Olen Cooper, Saturday night.

Mrs. Alma Holmes was visiting in church Sunday, being a guest in her son's home, Mr. and Mrs. Flavil Holmes.

Mr. and Mrs. Elmer Joiner and Mr. and Mrs. Woodrow Goodwin and Linda, went to Carlsbad, New Mexico, Saturday morning, where they attended funeral services Sunday afternoon for Nora Jean Morgan. Nora Jean was the ten year old daughter of Mr. and Mrs. Joe Morgan. Mrs. Morgan being a niece of Mmes. Joiner and Goodwin.

She was born and reared in Carlsbad, until her parents moved to Green River, Wyoming, in 1962. She passed away in a hospital in Salt Lake City, Utah, last Tuesday night, having died from a heart attack, brought on by a severe kidney ailment. She spent two months in Baylor Hospital, last winter, and since that time had been in and out of the Salt Lake City Hospital.

Burial was at Carlsbad. Her grandparents are Mr. and

Mrs. T. E. Dickson now residents of Carlsbad, who have resided for the last year in California.

Mr. and Mrs. Mel Jones went to Stamford Sunday afternoon and visited with his brother, Mr. and Mrs. Newman Jones, and also with the Waincotts in the hospital.

Cotton pulling was getting in full sway until the little showers started falling. Although the crop has been cut short, there will still be quite a lot of cotton to harvest and it has really opened.

This coming weekend will be Homecoming at Hamlin School, also including all of the former rural schools, that have consolidated with them.

This reporter is looking forward to going Tuesday down San Antonio way, as a delegate for our county, to the State Home Demonstration Meeting. Next week will tell you how we fared in the big city.

Announcing Plymouth and Valiant for 1964

Sport Fury 2-door hardtop

This good-looking 1964 Plymouth really gets up and goes and has a 5-year/50,000-mile warranty* to keep it going that way.

This is the brand-new Plymouth for 1964. It is clean, simple, modern in every line. It is quick, alert, vigorous in every move.

And it is backed by a tough 5-year/50,000-mile warranty* on the parts that keep you going . . . the engine and drive train

If this is the year you picked to buy a new car, you picked a beautiful year to

Get up and go Plymouth!

Signet 200 2-door hardtop

This smart-looking 1964 Valiant is a hummer in its own right and it's the low-priced compact with a 5-year/50,000-mile warranty.*

It would take a lot of compact to top Valiant this year. Take styling — Valiant has more charm all around than most compacts. Take performance. Valiant's standard 101-hp en-

gine is where the word "hummer" comes from. Take quality. Valiant's 5-year/50,000-mile engine and drive train warranty* speaks for itself. Take a test drive. Soon,
